BMW i COLLAPSIBLE BOX

The practical Collapsible Box in BMW i design is made from high-grade textile fabric recycled from PET bottles, and fits perfectly in the luggage space of the BMW i3 and BMW i8 allowing slip-safe stowing of storage items. The luggage space is also effectively protected against soiling. The simple and intelligent folding mechanism means it can be folded together to save space. When opened completely, it will fit in any shopping cart, where its two large compartments and two small key pouches keep things neat and orderly.
